Essay Becomes Easy: Cause and Effect, Critical, Deductive, Definition, Descriptive, Expository, Informal

Do you need to get essay help? Buy "Essay Becomes Easy. Part II" and you will know how to write essays of seven different types! With our practical guide for students, you will definitely improve your writing essay skills and increase the chance of receiving an A+ for your papers. Whom Is This Book For? "Essay Becomes Easy. Part II" was created for middle school, high school, college and university students. While studying, students of all academic levels need to write myriads of essays. Some essays students write without difficulties, while others can be really challenging. However, there is no need to worry. Our book will help you with this challenge! Even if you are good at writing, you will definitely find something useful for you in this book. It's not only for dummies! Types of Essays Which You Can Explore From Our Book Did you know that there are more types of essays besides expository and argumentative? These two types are the most popular and students are usually aware of the specifics of their writing. What about other types? Typically, students have difficulties with writing less popular types of essays. In our book, you can find core information about both popular and less popular types of essays: Cause and effect Critical Deductive Definition Descriptive Expository Informal If you can't find the type of essay that you need to complete in this book, check "Essay Becomes Easy. Part I." There are guides on the other seven types of essays in this book. What Can You Find in Each Chapter? The book consists of seven chapters. Each chapter contains a step-by-step essay guide of the definite essay type. All chapters are divided into the following sections: What's so special about this specific type of essay writing? Essay writing structure for the specific type of essay. Stages of writing the essay. Guidelines and tightening your essay. Mistakes to avoid while writing the essay. Writing checklist. Works cited. Sample 1. Sample 2. Each essay writing guide is laconic and informative. From each chapter, you will know the most crucial information on how to write an essay of a certain type, and you will see how to apply those theoretical rules in practice from our essay samples. Also, you have the ability to select one of our essay topics if you run out of your own topic ideas. A note: the whole book, including guides and samples, is completed in APA format. You can use our samples as an example of correct formatting. How Can You Benefit From Our Essay Samples? There are fourteen excellent essay writing prompts in our book - two samples for each type of paper. You can use these examples as a source of ideas for your own paper, take some interesting facts for further research, and see how your essay should be structured. Also, you have the ability to observe how to prove your ideas and how to connect paragraphs with each other. Our samples are completed on diverse topics. Some of these are: "The Effects of Online Dating," "Pain and Sorrow," "Healthy College Food," and "What Makes Someone a Hero?" Caution: in the "References" sections the sources can be displayed in an inappropriate format in .doc versions. The original formatting is saved in book printed version. "Essay Becomes Easy. Part II" will provide great assistance in writing essays. Get the book now and become a real pro at writing essays!

The Outsiders

Over 50 years of an iconic classic! This international bestseller and inspiration for a beloved movie is a heroic story of friendship and belonging. No one ever said life was easy. But Ponyboy is pretty sure that he's

got things figured out. He knows that he can count on his brothers, Darry and Sodapop. And he knows that he can count on his friends—true friends who would do anything for him, like Johnny and Two-Bit. But not on much else besides trouble with the Socs, a vicious gang of rich kids whose idea of a good time is beating up on “greasers” like Ponyboy. At least he knows what to expect—until the night someone takes things too far. The Outsiders is a dramatic and enduring work of fiction that laid the groundwork for the YA genre. S. E. Hinton's classic story of a boy who finds himself on the outskirts of regular society remains as powerful today as it was the day it was first published. \“The Outsiders transformed young-adult fiction from a genre mostly about prom queens, football players and high school crushes to one that portrayed a darker, truer world.\” —The New York Times \“Taut with tension, filled with drama.\” —The Chicago Tribune \“[A] classic coming-of-age book.\” —Philadelphia Daily News A New York Herald Tribune Best Teenage Book A Chicago Tribune Book World Spring Book Festival Honor Book An ALA Best Book for Young Adults Winner of the Massachusetts Children's Book Award

FROM THE FRONT COVER: a) 25 solved Issue topics with strategies to be used as a benchmark b) 25 solved Argument topics with strategies to be used as a benchmark c) Expert Strategies and simplified methods to produce focused

responses d) Scoring Guides for Issue and Argument tasks as per the revised GRE Guidelines GRE Analytical Writing: Solutions to the Real Essay Topics Book 1 Reviews on Amazon.com (5 star Ratings) “The tactics employed in the analysis of each issue task is to restate the task using negative terms, analyze the keywords in the task statement, state the opposite of the statement, restate it using different words and then present a sample solution to the statement. These are excellent tactics, giving the student many different perspectives in their search for a solution.” “What the book strives to provide are instructions on how to focus on the ideas presented and then how to turn those focused responses into written results. The concepts posed are realistic and the authors take great pains to make sure the examples the students are given are positive influences on how the students think and respond in writing.” “I love it, it helped me with the real test. Highly recommended, very useful, well organized, a lot of new vocabulary in each essay.” “Excellent book, helped me a lot with my English composition. I would entirely recommend this book. Really clean and great writing process”

How to Write an Essay: Writing a Descriptive Essay

Moving to America turns H&A's life inside out. For all the 10 years of her life, H&A has only known Saigon: the thrills of its markets, the joy of its traditions, the warmth of her friends close by, and the beauty of her very own papaya tree. But now the Vietnam War has reached her home. H&A and her family are forced to flee as Saigon falls, and they board a ship headed toward hope. In America, H&A discovers the foreign world of Alabama: the coldness of its strangers, the dullness of its food, the strange shape of its landscape, and the strength of her very own family. This is the moving story of one girl's year of change, dreams, grief, and healing as she journeys from one country to another, one life to the next.

Inside Out & Back Again

"It is chiefly through books that we enjoy intercourse with superior minds. In the best books, great men talk to us, give us their most precious thoughts, and pour their souls into ours. God be thanked for books. They are the voices of the distant and the dead, and make us heirs of the spiritual life of past ages. Books are true levelers. They give to all who will faithfully use them, the spiritual presence of the best and greatest of our race. William Ellery Channing Some of the things you will discover in Felimanuel Series, The Magical Secret to Success in English Language, Essay Writing for Junior and Senior High Schools Volume 1, With Bonus Success Secrets: The book is comprehensively, logically and coherently written and the language used is also easy to understand; hence, little or no further explanation is needed. The book teaches how to choose examination questions and answer them without sweat. Sample outlines/plans and sample essays have been written to guide pupils and students. The bonus success secrets will help pupils and students to pass in all seemingly difficult subjects like mathematics and science. The bonus success secrets will also guide pupils and students towards the attainment of greater success in life. The book has been designed in such a way that it can be used for examination purposes and for other practical uses in the day-to-day life of whoever uses it faithfully. In writing this book on English Language, essay writing, I decided to move away from the

traditional way of some authors flooding their English Language, essay writing books with so many sample essays based on my experiences as an English teacher some years back. Many pupils / students have the habit of memorizing written essays found in books and reproduce them during examinations, class exercises or when given project/home work when they see that the question being asked is similar to the answered one they came across. I hope the experts in the educational sector will agree with me that this does not augur well for the proper development of the child because he/she would not have the opportunity to think and plan on his /her own before writing a script with originality (I stand to be corrected if I am mistaken). It is in line with this that I have given only single sample essays per essay topic treated with more suggested outlines/plans. Most people often fail to plan their lives and this usually have disastrous effects on them. Also in writing examination, most candidates fail to plan their essays before answering selected questions. As the old adage says, \"If you fail to plan, you plan to fail.\" It is based on the above that in writing this book, I dedicated the first chapter to the basics of essay writing. Below is an excerpt of chapter one of the book. After highlighting on the basics of essay writing, I went ahead to discuss what paragraphs are and how they can be used in our daily writings. This is followed by the use of punctuation marks. Here again, I have given a comprehensive write-up as to how punctuation marks can be used to enrich our written works. Other topics covered in the book are writing of narrative essays, descriptive essays, friendly letters, semi- formal letters, summary writing, argumentative essays, speeches and talks, report writing, articles for publication, expository essays and advertisement. After a comprehensive, logical and coherent treatment of each topic, I followed up with sample questions, outlines/plans and essays. These are only to serve as a guide to users of the book. I will like to take this opportunity to entreat teachers to encourage pupils /students whom they teach to learn how to write an outline/plan and to use it when answering essay related questions, not only with English language, but with all other subjects that they deem it fit to apply. Some people may not see the usefulness of the outline/plan, but it helps the pupil / student

Felimanuel Series

The Skill Builders help students prepare for the specific skills and subjects tested on an exam. 240 Writing Topics with Sample Essays

George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature – his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In Politics and the English Language, the second in the Orwell's Essays series, Orwell takes aim at the language used in politics, which, he says, 'is designed to make lies sound truthful and murder respectable, and to give an appearance of solidity to pure wind'. In an age where the language used in politics is constantly under the microscope, Orwell's Politics and the English Language is just as relevant today, and gives the reader a vital understanding of the tactics at play. 'A writer who can – and must – be rediscovered with every age.' — Irish Times

Politics and the English Language

Thoroughly updated to meet the needs of today's students in communication sciences and disorders programs, Language Disorders: A Functional Approach to Assessment and Intervention in Children, Seventh Edition is a comprehensive overview of language disorders and clinical practice with a focus on the child's overall communication effectiveness. Unlike other texts that have a disorder-specific focus, this book emphasizes a functional and holistic approach to assessment and intervention by shifting the perspective to how a child uses the language feature targeted and how assessment can consider language as it's used. The author presents intervention methods in a system of least prompts, followed by information on each area of language and literacy. Generalization is foremost throughout the text. Known for writing numerous bestselling textbooks related to speech-language pathology, the author approaches this complex subject in a practical matter while maintaining a conversational writing style that resonates with students. Key Features: * Each chapter begins with a case example * Information on children from culturally and linguistically diverse backgrounds is woven into each chapter * "Food for Thought" boxes invite students to move beyond the text and consider the implications for assessment and intervention of the material * Key terms are highlighted throughout and included in a handy glossary * Numerous tables provide easy reference on the many techniques and norms * Multiple appendices include additional practical information New to the Seventh Edition: * New and improved modern layout with color enhancements * 600+ new references highlighting the latest theoretical and evidence-based practices * Greater focus on discussions of assessment of children with culturally and linguistically diverse backgrounds * New section on developmental language disorders (DLD), with new and more inclusive terms * Increased emphasis on autism spectrum disorder (ASD) * The chapters on language and narrative analysis have been strengthened and consolidated into one * Increased number of figures and tables

What are expository essays? How do I get started? \"Student Success Essay Writing Skills\" is a valuable resource for students of all levels who want to improve their writing skills and progress well in their studies. After introducing readers to the writing process and how to write complex paragraphs, the chapters cover the most common essay types taught to students in preparation for standardized testing and the rigor of writing college level research papers. To support teachers, parents and students with the demands of virtual learning, this book covers nine types of expository essays that are commonly taught in high school and college English classes: narration, description, illustration, definition, process, comparison/contrast, cause/effect, classification, and argument essays. Every chapter includes knowledge checks, quizzes and exercises to increase learning and comprehension.

College Writing For Dummies

Language Disorders from Infancy Through Adolescence, 4th Edition is the go-to text for all the information you need to properly assess childhood language disorders and provide appropriate treatment. This core resource spans the entire developmental period through adolescence, and uses a descriptive-developmental approach to present basic concepts and vocabulary, an overview of key issues and controversies, the scope of communicative difficulties that make up child language disorders, and information on how language pathologists approach the assessment and intervention processes. This new edition also features significant updates in research, trends, instruction best practices, and social skills assessment. Comprehensive text covers the entire developmental period through adolescence. Clinical application focus featuring case studies, clinical vignettes, and suggested projects helps you apply concepts to professional practice. Straightforward, conversational writing style makes this book easy to read and understand. More than 230 tables and boxes summarize important information such as dialogue examples, sample assessment plans, assessment and intervention principles, activities, and sample transcripts. UNIQUE! Practice exercises with sample transcripts allow you to apply different methods of analysis. UNIQUE! Helpful study guides at the end of each chapter help you review and apply what you have learned. Versatile text is perfect for a variety of

language disorder courses, and serves as a great reference tool for professional practitioners. Highly regarded lead author Rhea Paul lends her expertise in diagnosing and managing pediatric language disorders. Communication development milestones are printed on the inside front cover for quick access. Chapter objectives summarize what you can expect to learn in each chapter. Updated content features the latest research, theories, trends and techniques in the field. Information on autism incorporated throughout the text. Best practices in preliteracy and literacy instruction. The role of the speech-language pathologist on school literacy teams and in response to intervention. New reference sources. Student/Professional Resources on Evolve include an image bank, video clips, and references linked to PubMed.
